

CURRICULUM VITAE

Joaquín Prieto

PERSONAL DETAILS

- Address: Los araucanos 2463, Providencia, RM, Chile
- Phone: (56) 9 7987 1904
- E-mail: prietosj@lse.ac.uk | joaquin.prieto.cl@gmail.com
- Web: <https://prieto-joaquin.github.io/>

EDUCATION

October 2015 – April 2021/London UK

PhD in the Department of Social Policy at the London School of Economics and Political Science

- Thesis: “*New approaches to measuring economic and social well-being in Chile*”
 - Paper 1: Poverty Traps and Affluence Shields: modelling the persistence of income position in Chile. *Research on Economic Inequality, Vol 29*.
 - Paper 2: Degrees of vulnerability to poverty: a low-income dynamic approach for Chile. *Journal of Economic Inequality, 22*, 1069–1107.
 - Paper 3: A multidimensional approach to measuring economic insecurity: The case of Chile. *Social Indicators Research, 163*, 823–855.
- Supervisors: Stephen P. Jenkins and Grace Lordan.
- Examiners: Frank Cowell and Philippe Van Kerm.

March 2001 – December 2002/Santiago Chile

Post-graduate studies, Department of Sociology, Universidad Católica de Chile

March 1998 – December 2000/ Santiago Chile

Master’s in engineering sciences, Engineering Department, Universidad Católica de Chile

- Master’s mention in Economy and Environmental Management.
- Thesis: “*Valuation of Reductions of Death Risk in the Short Run in Chile: Application of the Methods of Contingency Valuation*”
- Thesis dissertation final grade: 7 out of a 7 points scale.

March 1992 – December 1997

BS in Department of Industrial Engineering, Universidad Católica de Chile

- With diploma in Electrical Engineering (two out of three votes of distinction).

RESEARCH GROUPS MEMBER

- III: International Inequalities Institute at LSE | <https://www.lse.ac.uk/International-Inequalities/People/Joaquin-Prieto>
- WAPLAC: Network on Welfare and Policy in Latin America and the Caribbean | <http://waplac.org/country-members>
- Quality of Employment group at LSE | <https://quality-employment.org/our-team/>
- WEIPO: Wellbeing, Inequality, Poverty and Public Policy group in Department of Economics at University of Alcalá de Henares | <https://sites.google.com/view/weipo-uah/team>
- Work and Employment Thematic Group in Human Development & Capability Association | https://hd-ca.org/thematic_group/work-employment

CURRENT RESEARCH INTEREST

- New measures of economic and social well-being – Welfare state regimes and regional development in comparative perspective – Public-private sector dynamics in developing labour markets – Poverty dynamics and multidimensional inequality – Data science in government and public policy – Evidence-based policy evaluation

ACADEMIC EXPERIENCE

November 2022 – March 2028/ London, UK

Visiting Fellow, International Inequalities Institute (III) at the London School of Economics and Political Science

September 2019 – October 2022/ London, UK

Research officer, International Inequalities Institute (III) at the London School of Economics and Political Science

- I developed three research lines on economic and social well-being in emerging countries: (i) forward-looking measures (vulnerability to poverty, economic insecurity), (ii) spatial inequality (geography of opportunity), and (iii) labour market development (quality of employment, as part of the British Academy project “*Measuring the Quality of Employment in Middle-Income Countries*”).

Supervisor: Kirsten Sehnbruch, British Academy Global Professor and Distinguished Policy Fellow at the III at the LSE.

March 2022 / Madrid, España

Visiting Fellow, WEIPO at University of Alcalá de Henares

June 2014 – June 2015/ Boston, US

Visiting Scholar, Boston College

June 2013 – June 2014/ Boston, US

Visiting Fellow, Lincoln Institute of Land Policy

February 2013 – 2015

Associate professor, Department of Sociology at Universidad Alberto Hurtado, Chile

June 2005 – June 2012/ Santiago, Chile

Founder and Director, Social Observatory Centre at Universidad Alberto Hurtado, Chile

- I founded and directed the Social Observatory Centre in 2005—one of Chile’s largest survey centres—and led over 80 complex, high-profile projects funded by public institutions (Ministries and National Secretaries/Departments), NGOs, and international agencies.

Supervisor: Fernando Montes. Former President of Universidad Alberto Hurtado

March 2002 – December 2003/ Santiago Chile

Associated researcher of Department of Sociology, Pontificia Universidad Católica de Chile & Program of Development and Society Research University of Chile, Chile

Courses

- Introducción a Stata para análisis de datos. Diplomado en Métodos Avanzados en Estadística y Ciencia de Datos. Facultad de Gobierno Universidad de Chile 2025.
- Quantitative Research Methods on Public Policy. Master in Applied Economy on Public Policy UAH 2010/2011
- Quantitative Methodologies and Social Surveys. Observatorio Social de la UAH 2010/2011
- Surveys and sampling design (October 2014/ Quito Ecuador – September 2012/ Antigua Guatemala – October 2011/ Montevideo Uruguay – October 2010/ Quito Ecuador). Applied Analysis Methods for Land Market in Latin America LILP.

RESEARCH GRANTS AND PROJECT FUNDING

Research Grants

Postdoctoral Fellowship, Fondecyt

- Research project (2025-28) “(In)economic security from a social protection perspective: A missing (but necessary) dimension for a comprehensive approach to human development”.

Postdoc, British Academy

- Research project GP1\100170 (2020-23) “Measuring the Quality of Employment (QoE) in Middle-Income Countries”.

Principal Researcher, Lincoln Institute of Land Policy

1. Research project LIB082616 (2016-17) “Changes in the geography of opportunity in the City of Santiago, Chile: towards a more inclusive city?”
2. Research project LJP111314 (2014-15) “Mobility of Families at Risk of Falling into Poverty in Santiago, Chile: Anchored by Housing Location and Forced to Move about the City”.
3. Research project LJP011514 (2013-14) “Residential Location Preferences of Low-Income Families: Residential Mobility and Housing Market in Santiago de Chile in 2002-2011”
4. Research project LJP0111013 (2012-13) “Residential Location and Socioeconomic Mobility in Chile: A Longitudinal Panel Study 2006-2009”
5. Research project LIB122007 (2008-10) “Living in Slums: A way to obtain the social housing or a location strategy to face vulnerability?”

Project Funding

Principal Researcher, Social Observatory Universidad Alberto Hurtado

1. (2012). Social Security Panel Survey (20,000 individuals). Financed by the Secretary of Social Security from Labour Ministry.
2. (2012). Origin-Destination Survey (18,000 households). Financed by the Transport Secretary from Transport Ministry.
3. (2011). Cadastre of Slums Households (30,000 households). Financed by the Ministry of Housing and Urban Development.
4. (2011). Households Financial Panel Survey (4,000 households). Financed by the Chilean Central Bank.
5. (2011). Homeless People Cadastre (12,500 individuals). Financed by the Ministry of Social Development.
6. (2010). National Narcotics Research (17,000 individuals). Financed by the National Council for the Control of Narcotics (CONACE).
7. (2010). National Socioeconomic Characterization Panel Survey (CASEN) Post Earthquake (22,000 households). Financed by the Ministry of Social Development.
8. (2009). National Socioeconomic Characterization Survey (CASEN) (74,300 households). Financed by the Ministry of Social Development.
9. (2009). National survey of Employment, Health and Quality of Life of Chilean Workers (9,720 workers). Financed by the Health Ministry.
10. (2009–2008–2007–2006). CASEN Panel Survey (7,000 households / 23,000 individuals). Financed by the Ministry of Social Development.
11. (2009). Panel Survey of Microenterprises (3,000 households). Financed by the Ministry of Economy.
12. (2009). Housing Panel Survey (first wave) - (5,100 housing). Financed by the Ministry of Housing and Urban Development.
13. (2009). Health National Survey (5,058 individuals). Financed by the Health Ministry.

PRESENTATIONS

Talks

1. “Vulnerability Metrics”. Mesa Temática de Trabajo del Futuro, Comisión Desafíos del Futuro del Senado de Chile, Santiago, 5 August 2024.
2. “The robots are coming for our jobs: Technological anxiety, economic Insecurity, and support for Democracy in Latin America”. PEEI Seminar of the Faculty of Government of the Universidad de Chile, Santiago, 9 July 2024.
3. “Job loss and earnings inequality”. Mesa Temática de Trabajo del Futuro, Comisión Desafíos del Futuro del Senado de Chile, Santiago, 2 July 2024.
4. “Vulnerability Metrics: Redefining Welfare in LAC”. CLACS, University of Illinois, 10 April 2024.
5. “Degrees of vulnerability to poverty: a low-income dynamic approach for Chile”. Lecture in the Master of Applied Economic Analysis. Alcalá University & WEIPO, webinar, 29 October 2020.
6. “Measuring economic insecurity: an application to Chile”, Núcleo Milenio en Desarrollo Social, Santiago, Chile, 28 January 2020.
7. “New approaches to measuring economic and social well-being in Chile”, Fundación para la Superación de la Pobreza, at Santiago, Chile, 13 December 2019.
8. “Changes in the geography of opportunity in the City of Santiago: towards a more inclusive city?”, COES Seminar, Santiago, Chile, 20 December 2017.
9. “Neighborhood effect on poverty dynamics in the city of Santiago, Chile “, COES Seminar, Santiago, Chile, 20 March, 2017.

Workshops

1. “Income buffers after a formal employment loss: The role of the informal employment and the unemployment insurance in Chile”. 1st WAPLAC workshop, San José Costa Rica, 11 May 2024.
2. “A Step-by-Step Approach to: Measuring Economic Insecurity”. CLACS, University of Illinois, 10 April 2024.
3. “Job loss and earnings inequality: Distributional effects from re-employment in Chile”. IZA workshop: Inequality in Post-Transition and Emerging Economies, on-line, 30 October 2022.
4. “Understanding the attrition bias in Chile: evidence from two longitudinal surveys”, 28th International Workshop on Household Survey Nonresponse, Utrecht, The Netherlands, September 1, 2017.
5. “Continuity and sustainability of the Longitudinal Social Protection (LSPS): A rotating panel design proposal for the LSPS”, IDB: Methodological Analysis Workshop, Santiago, Chile, 24 March, 2017.

Conferences

1. “Why does subjective socio-economic insecurity remain so high in Latin America? Revisiting the question during the 2000-2024 period.” SASE 2025, Montreal, 10 July 2025 | MPSA 2025, Chicago, 4 April 2025.
2. “Understanding income buffers after a formal employment loss: The role of the informal employment and the unemployment insurance in Chile”. III International Conference: Labour Transitions and Income Dynamics in Latin America, Buenos Aires, 6 December 2024.

3. “Degrees of vulnerability to poverty: a low-income dynamics approach for Chile.” 2do Congreso Latinoamericano de Ciencias Sociales y Gobierno (La Triada), Santiago, 14 November 2024 | International Conference on Social Cohesion and Development. DESOC | COES, on-line session, 5 November 2020. | International Sociological Association’s Research Committee 28, at Princeton University, New Jersey, 15 August 2019 | Eighth Society for the Study of Economic Inequality (ECINEQ) Meeting, Paris, 3 July 2019.
4. “The robots are coming for our jobs: Technological anxiety, economic Insecurity, and support for Democracy in Latin America”. 38th IARIW General Conference, London, 27 August 2024 | SASE 2024, Limerick, 20 June 2024 | MPSA 2024, Chicago, 5 April 2024.
5. “Cumulative precariousness: Re-examining the capability approach to work”. SASE 2024, Limerick, 20 June 2024 | HDCA 2024, Sofia, 12 September 2023.
6. “How does vulnerability to poverty affect subjective well-being in Chile?: A secure middle-class perspective”. XII Congreso Chileno de Sociología, 4 May 2024.
7. “Job loss and earnings inequality: Distributional effects from re-employment in Chile”. II International Conference: Labour Transitions and Income Dynamics in Latin America, Buenos Aires, 27 November 2023.
8. “Cumulative economic insecurity”. 10th International COES Conference, Santiago, 9 November 2023 | III & LIS Comparative Economic Inequality Conference, London, 24 February 2023.
9. “Poverty traps and affluence shields: modelling the persistence of income position”. ILO webinar, 30 September 2022 | Understanding Society Scientific Conference, at the University of Essex, Colchester, 2 July 2019.
10. “A multidimensional-dynamic framework to measure QoE based on capability-approach: evidence from Chile, 2004-2022”. HDCA 2022, Antwerp, 20 September 2022.
11. “Beyond informal employment to understand labour markets development: A precarious employment dynamic approach”. SASE 2022, Amsterdam, 9 July 2022.
12. “A multidimensional approach to measuring economic insecurity: The case of Chile”. 36th IARIW Virtual General Conference, Oslo, 26 August 2021 | Nineth Society for the Study of Economic Inequality (ECINEQ) Meeting, London, July 2021 | Mid-term Conference of the ISA-RC55 Research Committee on Social Indicators: Indicators of Social Sustainability and Wellbeing, 22 April 2021, Florence | International Post Conference COES & International Inequalities Institute, at LSE, London, 27 November 2019.
13. “Understanding Quality of Employment (QoE) Dynamics: Evidence from Chile”. SASE 2021 Virtual Conference, 4 July 2021.
14. “Understanding changes in the geography of opportunity: the case of Santiago, Chile”, Human Development & Capability Association Conference, Buenos Aires, 1 September 2018.
15. “Design of Panel Surveys from the perspective of both Survey Errors and Survey Costs: the case of Longitudinal Social Protection Surveys in Latin America”, Methodology of Longitudinal Surveys II Conference, at the University of Essex, Colchester, 25 July 2018.
16. “Understanding the attrition bias in Chile: evidence from two longitudinal surveys”, 7th Conference of the European Survey Research Association, Lisbon, July 20, 2017
17. “Income Poverty Persistence and Multidimensional Poverty Persistence in Chile”, Understanding Society Scientific Conference, at the University of Essex, Colchester, 11 July 2017
18. “Take-up of unemployment insurance and job search behavior in Chile: New evidence for the period 2009-2015”, 5th Conference of the Regulating for Decent Work Network At the International Labour Office Geneva, July 4th, 2017

19. “The working poor in Chile during the period 1990-2013”, 7th Annual Meeting of Sociedad Chilena de Políticas Públicas. Santiago de Chile, January 2016.
20. “Daily Mobility of Families at Risk of Falling into Poverty in Santiago, Chile: Anchored by Housing Location and Forced to Move around the City”, Research Seminar on Land Policy and Urban Development in Latin America, Lima, October 2015
21. “Neighborhood effect on poverty dynamics in the city of Santiago, Chile”, Understanding Society Scientific Conference, at the University of Essex, Colchester, July 2015 | Research Seminar on Land Policy and Urban Development in Latin America, Mexico City, September 2013.
22. “The impact of spell recurrence on poverty dynamics in less developed contexts: The case of Chile during the period 2006-2009”, Understanding Society Scientific Conference, at the University of Essex, Colchester, July 2015.
23. “Determinants of Poverty Dynamics in Chile and the Role of Temporal Persistence: Analyses the Panel Casen 2006-2009 using the Event History Method”, 6th Annual Meeting of Sociedad Chilena de Políticas Públicas. Santiago de Chile, January 2015.
24. “Location Preference of Low Income Households: Housing Mobility and Housing Market in the city of Santiago, Chile”, Research Seminar on Land Policy and Urban Development in Latin America, Panama City, October, 2014.
25. “The dynamics of poverty in Chile during the period 2006-2009”, 5th Annual Meeting of Sociedad Chilena de Políticas Públicas. Santiago de Chile, January 2014.

WORK EXPERIENCE

December 2024 – March 2025

Independent Consultant, ECLAC.

- I am working on a study on multidimensional social inequality and its challenges for labour inclusion and social protection.

Supervisor: Andrés Espejo, Economic Affairs Officer at the Social Development Division of ECLAC.

January 2023 – November 2024

Independent Consultant, International Inequalities Institute (III) at the London School of Economics and Political Science.

- I worked on the British Academy project: "Measuring the Quality of Employment (QoE) in Middle-Income Countries", writing two papers: a) Job loss and earnings inequality: Distributional effects from re-employment, and b) Job loss and income buffers: The role of the informal employment and the unemployment insurance.

Supervisor: Kirsten Sehnbruch, British Academy Global Professor and Distinguished Policy Fellow at the III at the LSE.

August 2022 – December 2022/ London, UK

Independent Consultant, International Labour Organization ILO. Lima.

- I analysed the incidence of working poverty in six Latin American countries.

Supervisor: Roxana Maurizio, Regional Specialist on Labour Economics for Latin America and the Caribbean.

November 2017 – May 2018/ London, UK

Independent Consultant, Organisation for Economic Co-Operation and Development OECD. Paris.

- I supported the chapter “Income dynamics and income mobility over the life course” in the OECD book “A Broken Social Elevator? How to Promote Social Mobility”.

Supervisor: Céline Thévenot, Policy Analyst, Directorate for Employment, Labour and Social Affairs, Jobs and Income Division, OECD.

- I reviewed the existing academic and policy literature related to inheritance tax in OECD countries.

Supervisor: Sebastian Königs, Economist, Directorate for Employment, Labour and Social Affairs, Jobs and Income Division, OECD.

October 2013 / Boston, USA – December 2016/ London, UK

Independent Consultant, Inter-American Development Bank IADB. Washington DC.

- Survey methodology advisor for Social Security Observatory of Latin America and Caribbean to propose a new panel design for the Longitudinal Social Protection Survey in Latin American countries.
- Survey methodology advisor for the IDB regional project to enhance the use of longitudinal surveys in Latin American countries.

Supervisor: Lucia Madrigal, Labour Market and Social Security Division, IADB.

- Consultant for the project “Ecuador and Paraguay National Social Security Panel Survey”
- Survey methodology advisor, which includes sample design, guard the quality of the data, and supervise all the steps of the survey implementation.

Supervisor: Emma Águila. Former Director of the Centre for Latin American Social Policy, RAND.

OTHER WORK EXPERIENCE

July 2012 – January 2014/ Boston, USA

Advisor, Social Observatory Centre at Universidad Alberto Hurtado, Chile

- Reviewer of OSUAH’s main research projects.

Supervisor: Francisca Marquez. Former Dean of the Faculty of Social Science

September 2004 – December 2011/ Santiago, Chile

Advisor, National Chilean Television (TVN)

- Advisor of the Marketing Department Director (2009 – 2011) - Advisor of the General Secretary (2007 – 2009) - Advisor of the Programming Director (2004 – 2007)
- Generated strategies to cope the goals of the different departments and directors I worked for, ranging from analysing the bests timeframe for commercials, aiming to optimize TVN’s revenues, to the creation of a special committee to evaluate strategic alliances with social and cultural organizations in Chile.

Supervisor: Daniel Fernández. Former CEO TVN.

March 2002 – December 2003/ Santiago Chile

Vice-Director, TECHO Foundation

- Responsible of the internal work of the organization and creating, designing and developing new programs and projects.

Supervisor: Felipe Berrios s.j Former President of TECHO foundation

AWARDS AND OTHER ACTIVITIES

Awards

- (2025) Fondecyt Postdoctoral Fellowship: three-year funding for a research project.
- (2014) Becas Chile Fellowship: full four-year funding for studying at a PhD program.
- (2005) Selected one of the 50 young Chilean leaders.
- (2003) Awarded a grant for the research project “Poverty and Microfinance: a Characterization of the Organization of Subsistence in Chile”. University of Chile and Banco del Desarrollo
- (2001) Awarded a grant for the research project “Characterization of Chilean Middle Class in the Nineties”. University of Chile and the Ford Foundation.

- (2001) Awarded a Scholarship for Research Associates. Universidad Católica de Chile.

Other activities

- (1996 – present) Member of the Art Collective CASAGRANDE.
I co-founded Casagrande, a cultural magazine originally aimed at showcasing the artistic production of our generation. Over the past two decades, that initial idea has evolved into a broader project that has gained both national and international recognition—particularly through our most prominent initiative, the “Bombing of Poems,” which has taken place in eight cities around the world.
 - Santiago, Chile 2001
 - Dubrovnik, Croatia 2002 <http://youtu.be/2NqV277nqOQ>
 - Guernica, Spain 2004 http://youtu.be/syhFalt_bV0
 - Warsaw, Poland 2009 <http://youtu.be/3VJ03FBhoy0>
 - Berlin, Germany 2010 <http://youtu.be/5BLsIme-AFY>
 - London, UK 2012 <https://vimeo.com/44940105>
 - Milan, Italy 2015 <https://vimeo.com/142739089>
 - Madrid, Spain 2018 <https://vimeo.com/274059892>
 - Rotterdam, The Netherlands 2025 <https://www.poetryinternational.com/en/>
- (2011 – 2012) Member of the Board of the Social Investment Fund (<https://fisameris.cl/>). FIS is an innovative financial tool that aims to promote investment with social impact objectives.

SOFTWARES SKILLS

Stata, R, SPSS, Limdep, L^AT_EX

LANGUAGES

Fluent English, Spanish Native Speaker
